PRESIDENT: The Chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, I move adoption of the resolution for all the good reasons that other similar resolutions have had, only in this case, the Norris School is more meritorious than all the rest, and with that, Mr. President, I move the resolution's adoption.

PRESIDENT: Is there any further discussion either on the merit or the resolution? All those in favor of LR 34 vote aye, opposed nay. Record the vote, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President.

PRESIDENT: Motion passes and LR 34 is adopted. Next resolution is LR 28.

CLERK: Mr. President. LR 28. Read. Mr. President, that resolution is on page 941 and 42 of the Legislative Journal.

PRESIDENT: The Chair recognizes Senator Frank Lewis.

SENATOR LEWIS: Mr. President, I think the resolution is self-explanatory. The dollars on hand for each of these institutions in their accounts according to the dates of when they were authorized to have those available, they are available for projects but those projects must be approved either by the Executive Board when we are out of session or by the entire membership when we are in. We are asking that those two projects at Kearney State College and Wayne State College be approved and I move the resolution.

PRESIDENT: Any further discussion on LR 28? If not all those in favor will vote aye, opposed nay. Have you all voted? Record the vote, Mr. Clerk.
